## Motivation and Team Building

Motivation is what makes people tick at work! Motivation is the key to get employees to develop a sense of commitment, a sense of direction, a sense of growth and a sense of teamwork. This program identifies factors that motivate employees and demonstrates guidelines to help self and others to exhibit superior performance.

No work can be completed efficiently and on time unless the members involved in the team cooperate. This program helps in understanding the benefits of working together as teams.

### Aims/Objectives

- To enhance the sense of ownership and empowerment and facilitate the development of organisation and individual
- To manage change, particularly the creation of initiatives, plans, process and actions, to achieve particular business and organizational aims
- To provide participants with tips to improve motivation skills and inspire others
- To instil the team spirit among participants for enhanced productivity
- To propagate team culture, promote creativity and jump ahead of the competition.

### Workplace Outcomes:

- This program will develop an environment of trust among the team members thereby resulting in organizational effectiveness.
- The program will lead to effective leadership, greater self-motivation, demonstrate people skills.
- The program will provide positive approach to stress relief by promoting self confidence.
- This program will enhance group development and break down barriers within the organization.

### Duration: 1 Day

**Methodology:**

The program will have interactive lecture sessions, power point presentation, Simulation Games, Questionnaires, Checklists and Role-plays.
